Official controls on some third-country products expanded

[EU Official Journal L 158 of 13 June 2022, p. 1](#)

Commission Implementing Regulation (EU) 2022/913 of 30 May 2022 amending Implementing Regulation (EU) 2019/1793 on the temporary increase of official controls and emergency measures in relation to the entry into the Union of certain goods from certain third countries implementing Regulations (EU) 2017/625 and (EC) No 178/2002 of the European Parliament and of the Council.

Rules for food contaminant controls in Regulation (EU) 2017/625

[Public Gazette EU L 162 of 17 June 2022, p. 7](#)

Commission Delegated Regulation (EU) 2022/931 of 23 March 2022 supplementing Regulation (EU) 2017/625 of the European Parliament and of the Council as regards rules for the performance of official controls in respect of contaminants in food.

[EU Official Journal L 162 of 17 June 2022, p. 13](#)

Commission Implementing Regulation (EU) 2022/932 of 9 June 2022 on uniform practical arrangements for the implementation of official controls as regards contaminants in food, specific additional content of multi-annual national control plans and specific additional arrangements for their preparation.

Oat lecithin added to lecithins E 322 with e-number E 322a

[EU Official Journal L 172 of 29 June 2022, p. 5](#)

Commission Regulation (EU) 2022/1023 of 28 June 2022 amending Annex II to Regulation (EC) No 1333/2008 of the European Parliament and of the Council and the Annex to Commission Regulation (EU) No 231/2012 as regards the use of oat lecithin in cocoa and chocolate products as defined in Directive 2000/36/EC of the European Parliament and of the Council.

E 1201 approved as a stabiliser in medical foods

[EU Official Journal L 173 of 30 June 2022, p. 56](#)

Commission Regulation (EU) 2022/1038 of 29 June 2022 amending Annex II to Regulation (EC) No 1333/2008 of the European Parliament and of the Council as regards the use of polyvinylpyrrolidone (E 1201) in food for medical purposes, in tablet and drage form.

Requirements for maximum levels in samples and analysis of PFAS in foodstuffs

[Public Journal EU L 221, 26.8.2022, p. 66](#)

Commission Implementing Regulation (EU) 2022/1428 of 24 August 2022 laying down methods of sampling and analysis for the control of perfluoroalkyl substances in certain foodstuffs. [EU Official Journal L 221 of 26 August 2022, p. 105](#)

[EU Official Journal L 221 of 26 August 2022, p. 105](#)

Commission Recommendation (EU) 2022/1431 of 24 August 2022 on the monitoring of perfluoroalkyl substances in foodstuffs.

Revised guidance on EU regulations on good hygiene practices and HACCP procedures

[Publication Journal EU C 355 of 16 September 2022, p. 1](#)

Communication from the Commission on the implementation of food safety management systems consisting of good hygiene practices and procedures based on HACCP principles, including the promotion/flexibility of implementation in certain food establishments.

Rules revised for food contact recycled plastic

[Public Gazette L 243 of 20 September 2022, p. 3](#)

Commission Regulation (EU) 2022/1616 of 15 September 2022 on recycled plastic materials and articles intended to come into contact with food and repealing Regulation (EC) No 282/2008. Corrigendum.

[EU Official Journal L 244 of 21 September 2022, p. 70](#)

Corrigendum to Commission Regulation (EU) 2022/1616 of 15 September 2022 on recycled plastic materials and articles intended to come into contact with food and repealing Regulation (EC) No 282/2008 (Official Journal of the European Union L 243 of 20 September 2022).

Request submitted for registration of citizens' initiative for vegan meals

[EU Official Journal L 275 of 25 October 2022, p. 75](#)

Commission Implementing Decision (EU) 2022/2053 of 18 October 2022 on the request for registration of the European Citizens' Initiative 'European Citizens' Initiative for Vegan Meals' under Regulation (EU) 2019/788 of the European Parliament and of the Council.

A number of substances and UV filters in cosmetic products permitted with reservations

[EU Official Journal L 292 of 11 November 2022, p. 32](#)

Commission Regulation (EU) 2022/2195 of 10 November 2022 amending Regulation (EC) No 1223/2009 of the European Parliament and of the Council as regards the use of butylated hydroxytoluene, Acid Yellow 3, homosalate and HAA299 in cosmetic products, and correcting that Regulation as regards the use of resorcinol in cosmetic products.

Proposal for new regulation system geographical indications

[EU Official Journal C 443 of 22 November 2022, p. 116](#)

Opinion of the European Economic and Social Committee on the Proposal for a Regulation of the European Parliament and of the Council on geographical indications of the European Union for wines, spirit drinks and agricultural products and quality schemes for agricultural products, amending Regulations (EU) No 1308/2013, (EU) 2017/1001 and (EU) 2019/787 and repealing Regulation (EU) No 1151/2012 COM(2022) 134 final - 2022/0089 (COD).

Change in EU control regulation

[EU Official Journal L 304 of 24 November 2022, p. 31](#)

Commission Implementing Regulation (EU) 2022/2293 of 18 November 2022 amending Implementing Regulation (EU) 2021/405 as regards the list of third countries with an approved control plan for the use of pharmacologically active substances, maximum residue limits for pharmacologically active substances and pesticides and maximum contaminant levels.

Regulation on imports of animals and consumer goods supplemented

[Public Journal EU L 304 of 24 November 2022, p. 1](#)

Commission Delegated Regulation (EU) 2022/2292 of 6 September 2022 supplementing Regulation (EU) 2017/625 of the European Parliament and of the Council as regards conditions for the entry into

the Union of consignments of food-producing animals and certain goods intended for human consumption.

Hygiene requirements for food of animal origin changed

[Public Journal EU L 299 of 18 November 2022, p. 5](#)

Commission Delegated Regulation (EU) 2022/2258 of 9 September 2022 amending and correcting Annex III to Regulation (EC) No 853/2004 of the European Parliament and of the Council on specific hygiene rules for food of animal origin as regards fishery products, eggs and certain highly refined products, and amending Commission Delegated Regulation (EU) 2019/624 as regards certain bivalve molluscs.

Risk assessments for plasticisers in food contact materials

[EFSA-nieuws van 24 november 2022](#)

Phthalates and other plasticisers: Plan to guide EFSA assessment.

Annex: [Protocol for the hazard assessment as part of the risk assessment of phthalates, structurally similar substances and replacement substances potentially used as plasticisers in materials and articles intended to come into contact with food](#)

Regulation Official Controls to be clarified by Commission

[Public Journal EU C 467 of 8 December 2022, page 2](#)

Commission communication on the implementation of Regulation (EU) 2017/625 of the European Parliament and of the Council (Official Controls Regulation).

The requirements for analytical methods for arsenic have been amended

[EU Official Journal L 318 of 12 December 2022, p. 4](#)

Commission Implementing Regulation (EU) 2022/2418 of 9 December 2022 amending Regulation (EC) No 333/2007 on analytical methods for monitoring levels of trace elements and process contaminants in foodstuffs.

Codex Alimentarius Commission adopted 500 new food safety standards

[Codex Alimentarius news of 15 December 2022](#)

Codex adopts more than 500 new food safety standards.

Fraud

ACN Annual Report 2021

The European Commission has published the ACN Annual Report 2021. The Alert and Cooperation Network (ACN) is composed of the Rapid Alert System for Food and Feed (RASFF), the Administrative Assistance and Cooperation System (AAC) and the Food Fraud Network (FFN).
